

Miniature version  
of the Type 10

Sensor Head Type:  
Optical

## PRODUCT DATA SHEET

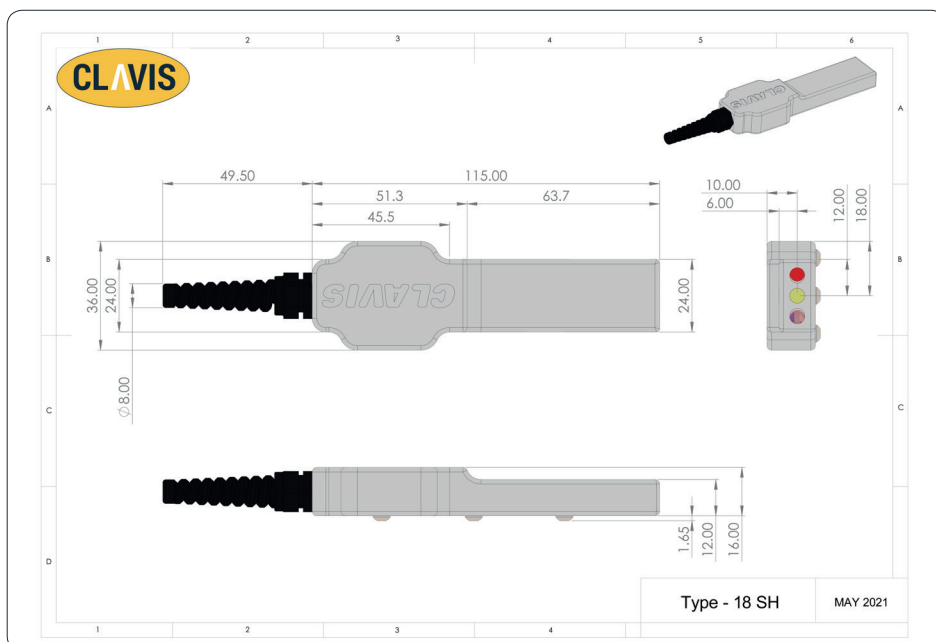

# Type 18 Sensor Head

## TECHNICAL SPECIFICATION

| Environment Conditions         |                                             |
|--------------------------------|---------------------------------------------|
| Operating Temperature          | +10°C to +50°C<br>+50°F to +122°F           |
| Shipping & Storage Temperature | +5°C to +70°C<br>+23°F to +158°F            |
| Protection Class               | IP54                                        |
| Sensor (Optical)               |                                             |
| Type                           | Infrared Optical                            |
| IR Wavelength                  | 940nm                                       |
| Visible Aiming Beam            | Narrow Angle Orange LED                     |
| Housing                        | Machined Aluminium (Anodised Titanium Grey) |
| Cable length                   | 1.25m                                       |
